15" Electric Fryer Module

wolfappliance.com

FEATURES

- Integrated design allows for installation of multiple cooktops or modules.
- Crafted of heavy-duty stainless steel.
- Fried foods emerge crisp and light, due to precise control of the 2,600-watt heating element.
- Melt feature for shortening or lard.
- Illuminated touch controls with graduated control lighting, temperature display and preheat indicator.
- Three wire baskets—large and two small, each with basket hanger.
- Low-profile stainless steel lid.
- Control panel lock.
- Independent timer up to 99 minutes.
- Easy manual locking drain capability.
